Junior talent honing a foundation in Ruby/JS/React. Three years of unique project management experience focused on fostering sustainability and diversity.

EDUCATION

Epicodus

*September 2018 – March 2019**

- Web Development Certificate (pending)
- 27-week Ruby/React web development program.
- Built over 50 applications utilizing Ruby, Rails, Angular, & React.

Portland State University

September 2013 – June 2018

- B.S. Community Development Major
- CEPE Project Management Certification.

WORK EXPERIENCE

Prosper Portland - Project Coordinator Intern

June 2017 – June 2018

Delivered integral support for economic development initiatives. Managed social media campaigns (+18% twitter followers) and website maintenance for TechTownPDX. Aided onboarding of 4 new pledge companies. Coordinated distribution of annual TechTown survey to 24 companies totaling +1450 employees with a 74% response rate.

Oregon Health & Science University - Research Assistant

September 2015 – June 2017

Identified obstacles through interviews, surveys, & data analysis to maximize the implementation of evidence-based rehabilitation exercise programs from a pool of +500 breast cancer survivors.

TSUSP Diversity and Equity Committee Representative

September 2017 – June 2018

Co-led a first of its kind effort to identify barriers to success for collegiate students of color. Initial findings highlighted the need for increased support for advising and peer networks tailored towards a diverse student body.

Portland State Student Rec Center - Rec Sports Supervisor

December 2013 – September 2016

Instructed and trained referees. Supervised intramural and rec sports operations. Fulfilled role of conflict resolver and first responder.
